

Contactless Tech Inspection

September 22, 2020

Until further notice, Tech inspection for the 2020-2021 CVMA Season will be done "parc ferme" style in observance of "social distancing" guidelines

Friday:

Drop off will open Friday at Noon. Please park your machine with tech slip and completed tech checklist in the "Drop Off" area under the East side of the white big-top tent.

Bikes will be rolled into the Tech Inspection area for examination in the center of the white big-top tent beginning Friday at 6pm. Racers are not to enter the tech inspection area.

Once examination is complete, bikes will be rolled to the "Pick Up" area on the West side of the white big-top tent.

If a racer chooses to not leave their machine unattended in the drop off area, they may bring their bike to Tech beginning at 7:30pm where the process outlined above will be followed with the racer in attendance.

Saturday/Sunday:

Drop off will remain open Friday/Saturday evening after Tech has closed. Please park your machine with tech slip and completed tech checklist in the "Drop Off" area under the East side of the white big-top tent.

Bikes will be rolled into the Tech Inspection area for examination in the center of the white big-top tent beginning Saturday/Sunday at 7am. Racers are not to enter the tech inspection area.

Once examination is complete, bikes will be rolled to the "Pick Up" area on the West side of the white big-top tent.

Chuckwalla Valley Motorcycle Association Competitor Bulletin

If a racer chooses to not leave their machine unattended in the drop off area, they may bring their bike to tech beginning at 7:30am Saturday or 7am Sunday where the process outlined above will be followed with the racer in attendance.
